

Volunteer Sima Bucks Program

The purpose of the Volunteer Sima Bucks Program is to provide incentive to potential volunteers to become more involved in the development and maintenance of Mt. Sima. Volunteers will provide hours to Mt. Sima in ways such as manual labour, or providing time and effort towards other duties.

For each hour that a volunteer has put forward, they shall be rewarded with \$10 in "Sima Bucks", which can be used towards any Mt Sima products. These discounts may be used on items that are already labelled as discounted, or on special sale items such as the Early Bird Season Pass. Sima Bucks must be used before the end of the season that they are helping to get ready for (volunteer in the fall, must use by the end of the winter).

*minimum 6hrs to be eligible for the early bird pricing until second weekend of December
