

## Mt Sima Schools on Snow Program 2023/24

Welcome to another season of Schools on Snow at Mt. Sima! We are excited to welcome students to the mountain for some fun on the slopes!

### What is the Schools on Snow Program?

Mt Sima's Schools on Snow Program is a program that provides subsidized rates for lift tickets, lessons and rentals to YG school groups across the Yukon. The program is made possible by funding provided by the Yukon Government Department of Education.

Our goal is to provide students of all means and abilities, from complete beginner to experienced skier/boarder, the opportunity to ski and snowboard in a safe and enjoyable environment. We aim to build enthusiasm for skiing/boarding with the student population in hopes that students develop a life-long healthy lifestyle that includes skiing/boarding.

Our lessons are run by experienced and certified instructors, who work diligently to provide each child with a safe and enjoyable learning experience.
